

Reach Statement

Customer information about REACH and SCIP

Absolent AB is a manufacturer of products that cleans contaminated air at the source in manufacturing processes. We strive to avoid using hazardous substances and hereby inform you in accordance with the requirements of Regulation (EC) 1907/2006 (Reach).

According to Article 33 of Reach, the manufacturer has the obligation to inform about substances of very high concern (SVHC) in concentrations of >0.1% weight by weight (w/w). Companies are required to submit information on articles containing SVHC (>0.1%) to ECHA via the SCIP database established under the Waste Framework Directive.

Absolent AB work continuously in close cooperation with suppliers to ensure latest information and compliance with REACH requirements.

To obtain information on SVHC, including SCIP reference, for the product of interest, please send a request to Quality@absolent.se
